

Hello Families,

Our Careers Team is busy preparing for Year 10 Work Experience from 12th–16th May, and we're already excited for our next Drop-Down Day on 18th July—always a brilliant opportunity to explore career pathways!

We've got some fantastic opportunities coming up, including free webinars on Unifrog and online Career Days. There's even a session just for parents and caregivers! Read on for everything you need to know.

Upcoming Free Webinars (via Unifrog)

University: myth busting and what you need to know

Thinking about going to university but don't think you can afford it or get the right grades? Not sure what you can study at university? This session led by the universities of Exeter, Creative Arts and London South Bank, will bust some common myths about university and provide information about research you can start doing now!

Tue 29 April @ 16:30 UK time - 45 mins - [sign up](#)

What are apprenticeships?

Not sure what apprenticeships are or what a day in the life of an apprentice looks like? Sign up to this webinar to hear from professional experts from Ricoh, Eversheds and KPMG to better understand what an apprenticeship is, how you can find out more about them, and hear from a current apprentice to see if they would be right for you after school!

Tue 29 April @ 17:30 UK time - 45 mins - [sign](#)

Parents and caregivers' session: research into options after school

Not sure on your child's options after school? Think university is too expensive, or not sure where to start looking for apprenticeships? Join experts from the University of Bradford, Unilever and the National Saturday Club to find out about what early research your child can do, and things to consider when weighing up their options.

Wed 30 April @ 17:30 UK time - 45 mins - [sign up](#)

Please feel free to reach out with any questions on work experience, post 16 options or any of the opportunities in this newsletter m.mylea@stowhigh.com
