Dear Families

Year 11 Resistant Materials Project - Collection

Your child has now completed the practical element of their GCSE Resistant Materials project. If they would like to, they may now take their project home. Please feel free to arrange a convenient time for collection.

Please note that there is a possibility the Exam Board may request to see a sample of student work for moderation purposes. While this could happen any time up until October 2025, it is rare, and we have not experienced it in previous years. If your child's work is selected, I will contact you to arrange for its temporary return.

I would also like to take this opportunity to say how much I have enjoyed teaching your child and to wish them every success in the future.

Yours sincerely

Mr Jim Hawkins

Curriculum Leader – Resistant Materials
