Year 7

Year 7 Girls Football- **West Suffolk Final**

The girls had the West Suffolk County Cup Final at KEGS this week. They got off to a strong attacking start and dominated the first half. With solid defence from Ellie and Ruby covering

the goal brilliantly the opposition found it hard to get the chances. Lola and Emily worked hard up front, chasing every ball and with fantastic support from Demi on the wing, they really showed the opposition they were there for a win. A penalty was awarded, which Olaya volunteered and stepped up for, she then put pressure on the defence from a corner, forcing an own goal. at half time the girls were 2-0 up. In the second half, the girls continued to work hard and Lily Darlow-Hunt had some great runs putting more pressure on KEGS, along with great passes from Lily and Abigail the whole team really worked well together. With a hattrick from Emily the final score was 4-0 and they came away as well deserved West Suffolk champions! Well done all, including all the girls involved in previous games that weren't available for this last game!

Year 8

Year 8 Rounders

The girls represented Stowmarket High brilliantly this week, in their first game of the season. They took on tactical advice and worked well together as a team to make it hard for their opposition to score. Kerri set the standard with her bowling and Matilda did a great job at backstop, organising the field and getting the ball to Mollie at second, stopping the other team from scoring. The girls then went into bat and did a great job, putting pressure on their field. A great win and decision making from all! Well done girls.

Year 9

Year 9 Rounders

On Thursday the year 9 rounders team travelled to Thurston to play in their first couple of league games of the year. They faced Thurston and County Upper. Although the girls hadn't had a lot of prior practice, they soon switched on! They faced Thurston first in a close game, winning by only half a rounder, with the winning half coming from Sienna Scott. With this confidence boost, they also went on to beat County Upper, by a rounder. Gracie Williams stole the moment of the day catching a high ball, with her eyes shut! Followed shortly by Maisie Ablett catching another good ball. Well done to all the girls for a great evening of rounders!
