Year 8

Year 8 Volleyball

On Wednesday, Year 8 boys and girls took part in the West Suffolk Volleyball Tournament. Stowmarket High School entered four teams in total. For many of the players, it was their first time representing the school in volleyball, and they all performed brilliantly.

Both boys' teams progressed to the final, where Team A narrowly edged out Team B with a thrilling 15–14 victory. In the girls' competition, both Stowmarket teams faced each other during the group stages, with Team B also winning by a tight 15–14 margin.

Overall, it was a fantastic afternoon of volleyball, with all students playing exceptionally well and thoroughly enjoying the experience.

Year 11

Year 11 Rounders

At the start of the week the year 11 girls played in their final fixture of their school life! They faced Debenham in a friendly match of rounders, after they had such a competitive match last year at the county finals they wanted a rematch before their exams started!

They played 3 games, winning 2 and drawing one. Outstanding bowling was shown from Eve Caldwell, whose leadership shone throughout. Jasmine Randell continued to be dominant at backstop, making some excellent, pinpoint throws to get a number of players out. While Martha Hardcastle won player of the match, making 6 very difficult catches,

These girls have been an absolute pleasure to take on fixtures over the last 5 years, with various other schools commenting on their friendly yet competitive nature. We wish them all the luck for their exams and their future in sport.
