

PE Newsletter 16th- 20th June

Year 7

Year 7 Rounders

The year 7 rounders team attended their next set of league games this week. They listened to feedback from the previous tournament and took this on board, coming out with two wins overall. Olaya, Emily and Ellie all were excellent in the field, with Ruby stepping up to show off her batting form. Well done to all involved. The girls are looking forward to their county finals next week!

Year 8

U13 girls cricket

The u13 girls cricket team attended the county finals on Tuesday morning over the road at Stowmarket cricket club, after winning the West Suffolk final earlier in the month.

These girls were an absolute credit to the school, showing not only a great competitive spirit but excellent sportsmanship across the games. They listened so well to feedback given and got better and better as the tournament went on. Year 7 Lilymae Power, was on outstanding form, bowling 6 wickets across the two games! With Keri Nauvunivuni scoring the highest amount of runs (including 3 x 6's and 6 x 4's!)

As a result of this, and the whole team's effort and composure, the girls went on to beat Farlingaye by 7 runs and Northgate by 3 runs!

This means the girls go on to represent Suffolk at the Regional schools finals in July. An amazing effort for a team with only one student who plays cricket outside of school!

Year 8 Athletics

On Thursday this week a team of year 8 boys and girls attended the West Suffolk Super 8s competition. On a lovely sunny day, the students represented the school excellent, giving it their all across all the events. Thank you to Preston and Frasier who stepped up to help at the very last moment!

Fixtures Next Week:
