Year 8

Year 8 Girls Cricket

A team of Year 8 girls attended the west Suffolk cricket tournament on Thursday. They played KEGS and County.

In their first game against County, Keri Naivunivuni started the bowling well which went hand in hand with some great wicket keeping. They had excellent communication throughout, stopping county from scoring and getting a number of them out, scoring 12 runs. They then did a fine job at batting, with Keri and Lylah beating their score without anyone else going in.

In the second game against KEGS they continued their good form, which led to another big win. The girls qualify for the county finals after half term! A huge well done to all the team.

Year 9

Year 9 Rounders

Earlier in the week, the year 9 rounders team competed at the West Suffolk rounders cup. They faced some fierce opposition and this led to two narrow loses. It was great to see the improvement the team had made throughout, learning lots of tactical decisions in the field. Well done all.

Year 10

Year 10 Rounders Cup

The year 10 rounders team attended the west Suffolk tournament on Thursday this week. They welcomed Sienna Craddock and Martha Allum to the team who only added strength and depth. They faced county first in a close game, winning by just a half. They dominated against KEGS winning by 3 clear rounders. They then faced a very strong TGS team when they suffered their first defeat. They went on to beat OSA in a high scoring game 10-8. Their final came against Mildenhall could have gone either way, but it was Mildenhall who took the edge winning by just half a rounder. The girls await to see if they have got that 2nd place spot in the county finals after the tournament proved to be very close through out with a number of teams getting similar wins and losses. Shout out to Poppy Healy who got the catch of the day! Danielle Taylor for her excellent bowling, and Ella Turner for her batting! Freya Underwood also demonstrated some excellent and consistent fielding throughout. Well done girls. It was a pleasure to take such a lovely group of girls!

Year 10 Rounders league

On Tuesday the year 10 rounders team competed in their first league game of the year where they faced Finborough school. Although they lost the first innings, they came back strong in the second innings, winning by a clear 3 rounders. Some great bowling was on show from Danielle Taylor. Whilst Pheobe Fox dominated second base throughout. However it was Ella Turner who was the player of the match, for her outstanding batting and excellent work at backstop. A great start to the league girls, well done.

All years

Stowmarket High Archery Team Shines in Local Competition

On Wednesday, our Stowmarket High archery team delivered an outstanding performance in a friendly competition against Stowupland.

We're proud to share the following results:

- 🥇 **Gold** – Theo and William
- 🥈 **Silver** – Olly and Ryley
- 🥉 **Bronze** – Alfie

Every student demonstrated focus, determination, and great sportsmanship throughout the event. It was a fantastic effort by all involved, and we're incredibly proud of the team's achievements.

Well done, archers!
