Year 7

Year 7 Rounders

The year 7 girls had their first rounders games this week at the Western Area tournament. Led brilliantly and encouraged by Ellie, the girls went into their first game with confidence. Emily's bowling was brilliant and along with calm decision making from Olaya at backstop, the combination stopped TGS from scoring. Lola and Lily D on the bases stopped a number of scores and Lily-Mae took a brilliant catch. When it was the girls turn to bat, they did brilliantly by all scoring at least half a rounder each. First game was an easy 6-2 win. The second game was closer but still a confident win of 7-5, with the girls now scoring more

rounders and great fielding from Brenda, Jasmine and Abi. The last game against the overall tournament winners showed some great team work and efforts but their first close loss of 5-7 against Finborough school. This put them into the semi-finals, which the girls stormed at 9-4 against County Upper.

This put the girls as second place out of 9 schools, and means they are through to the next round of county finals. Amazing effort from all the girls and look forward to the next stage.

Year 8

Year 8 Rounders

The year 8 team head to Sudbury for the Western Area tournament this week. Despite being one player down, the girls went confidently into their first game. Keri's outstanding bowling stopped their opposition from scoring and with Matilda at backstop, the girls stopped nearly all 1/2 rounders. Their calm and orderly team work in the field was incredible and they backed each other up on every move. In the batting, the girls scored many half rounders and some fantastic hitting from Lylah saw her score rounders every time. The girls won every game convincingly, even stopping a team from only scoring half a rounder in 20 balls!

This means that they are through to the county finals! Fantastic effort from all. Well done girls!

Sports Leaders

Thank you to the sports leaders in year 10 and 11 who helped to run and umpire the primary school netball festival this week. You were an absolute pleasure to have and were a credit to the school
