

**PE Newsletter 15th-19th Sept**

## Year 11

Our Year 11 netball team travelled to Thurston for the start of the netball league. Our first game felt very much like a warm-up match as we found our rhythm and settled into tournament play. Defensively, we were incredibly strong, with **Phoebe Fox, Danielle Taylor, and Freya Underwood** putting in solid performances and making it difficult for the opposition to get through. We forced **over 10 turnovers**, showing real grit and determination in defence. However, despite all the hard work, we struggled to convert our chances at the other end. Thankfully, we pulled it together in the **final third**, and the game ended in a well-earned 8-8 draw. In our second match against Mildenhall, everything started to click. With the team now used to each other and playing positions more settled, **Danielle Taylor** alongside **Molly Fountain**, and **Keri Naivunivuni**, playing up from Year 9, into the attacking three. This trio was on fire, showing fantastic movement, accurate shooting, and brilliant teamwork. The result, a dominant 20-3 win. A massive well done to all the players, your effort, adaptability, and teamwork really shone through. We're now looking forward to taking this momentum into the County Finals next month.
