- Information Event: Wednesday 5th November, 6:30pm-8:30pm in Beatties suite at Portman Road (IP1 2DA)

The Ipswich Town Foundation Post 16 Football & Education Programme is designed to lay the foundations for students to progress in either higher education, American scholarships, employment or apprenticeships, with an overall aim of building professionals within sport. The above events are for current year 11 students.

The recruitment events are practical sessions and participants should come appropriately dressed for a session (black kit if possible), have appropriate footwear for a 3G and bring water. Participants and parents/carers should also attend the information event, where key staff from Suffolk New College and Northgate Sixth Form will be in attendance and there will be the opportunity to ask any questions.
