Year 9

Year 9 Netball

On Thursday the Year 9 netball team attended their first set of league games, where they faced Thurston, King Edward's, County Upper and Sybil Andrews.

It was great to see some new faces in the squad, including Isparza, Lylah, Mollie and Leonora. The girls dominated in all of their games, with Keri being the main attacking threat, scoring the majority of our goals. Playing out of position, Mylee also added strength in the attacking three bagging three out of her first three attempts! Leonora, Matilda and Martha were an excellent defensive unit, intercepting a number of passes. While Faith was pivotal in the distribution in the mid-court.

Well done to all involved. They will compete at the county finals on Monday.

Year 10

Year 10 Boys Football

The Year 10 boys took part in the first stage of the West Suffolk Cup on Wednesday. With a change in format seeing them play a round robin tournament against Thurston, Stowupland and Ixworth, they knew that only one team would progress to the semi-finals. They dominated their first game against Ixworth but struggled to convert the numerous opportunities created and needed an own goal to run out 1-0 winners. Going into the second game against Thurston (last years winners) the boys knew that they would need a win if they wanted to top the group. A tight game saw SHS create the better chances and a late Ben Hooper goal meant they secured an important three points. Needing only a draw in their final game against Stowupland to progress the boys started slowly and Stowupland took an early lead through a goal on the break. SHS dominated the remainder of the game and managed to get the goal (Ben Hooper) that secured the draw and progress through to the semi-finals. The semi-final draw is an away trip to Mildenhall.
