Dear Families

History Studies in Year 9

As part of their Year 9 History studies, your child has been learning about the Holocaust over the past half term. To help them understand the full impact of this event, teachers would like to show them some film material based on the Holocaust.

Films on this topic often have age ratings of 15 due to the nature of the actions that occurred and the treatment of the people involved. The films are historically accurate and the reason for the age rating is the violence depicted.

If you would rather your child **not** view this material, then please contact a.hewitt@stowhigh.com by Monday 26 February 2026. If there is no response to this email, then we will assume that they may watch it.

Yours faithfully

A Hewitt
